DAYTON, OHIO 45409 AREA CODE 513 461-5500 EXT. 500

DAYTON, Ohio, March 24, 1969 --- Professor Max Jerman of the Institute for Mathematical Studies in the Social Sciences at Stanford University will serve as guest lecturer at the Computer-Assisted Instruction Seminar at the University of Dayton this Thursday, March 27, from 8:30 a.m. to 3 p.m.

The seminar, jointly sponsored by the departments of Computer Science and Secondary Education at UD and the Instructional Systems Division of RCA, will be conducted for secondary school teachers in the Greater Dayton area. The program will include CAI demonstrations using the Waterford System.

Co-chairmen for the program in the Kennedy Union are Dr. Ellis Joseph, Chairman, Department of Secondary Education, and Professor Lawrence Jehn of the Department of Computer Science.
